Points.

Potom, Mexico, Aug. 25.—The fighting  
Yaquis are now leaderless through the  
agency of a Mexican gold. Loreto Villa  
their great chief and one of their leaders  
in the ten years' war, has gone over to  
the government forces with whom he is  
now fighting. He is bitterly opposed to  
the present outbreak. Indians are now  
without a leader of any prominence.  
The government has posted troops in  
every small town and ranch in the  
valley and troops have also been sent to  
every watering place of the Indians in  
mountains.

Omaha, Neb., Aug. 26.—While Jacob  
Gould Schurman, United States com-  
missioner to the Philippine Islands, was  
in Omaha Saturday, he said that Wil-  
liam H. Hearst despatched James Creel-  
man to Manila to tender Admiral Dewey  
the backing of the New York Journal  
and the unlimited financial backing of  
Mr. Hearst if the admiral would consent  
to the use of his name as democratic  
candidate for the presidency. Mr.  
Schurman said Admiral Dewey declined  
the tender and asserted what has  
already been wired to this country that  
he had no political aspirations.

Ocean Grove, N. J., Aug. 26.—Presi-  
dent McKinley in a speech here this  
afternoon said: "I believe there is more  
love for our country and more people  
love the flag than ever before. Where-  
ever the flag is raised it stands not for  
despotism and oppression but for lib-  
erty and opportunity and humanity;  
and what the flag has done for us we  
want it to do for all people and for all  
lands which by the fortunes of war have  
come within its jurisdiction. That flag  
does not mean one thing in the United  
States and another in Porto Rico or in  
the Philippines. There has been some  
doubt in some quarters respecting the  
policy of the government in the Philip-  
pines. I see no harm in stating it in  
this presence. Peace first, then with  
charity for all establish a government of  
law and order, protecting life and prop-  
erty, and occupation for the well being  
of the people who will participate in it  
under the stars and stripes."

Paris, Aug. 26.—The Figaro says that  
Mme. Labori has been made very nerv-  
ous over the receipt of an anonymous  
letter threatening the assassination of  
her husband, herself, and their children.

## A Mother Tells How She Saved Her Little Daughter's Life.

I am the mother of eight children and  
have had a great deal of experience with  
medicines. Last summer my little  
daughter had the dysentery in its worst  
form. We thought she would die. I  
tried everything I could think of, but  
nothing seemed to do her good. I saw  
by an advertisement in our paper that  
Chamberlain's Colic, Cholera and Diar-  
rhoea Remedy was highly recommended,  
and sent and got a bottle at once. It  
proved to be one of the very best medi-  
cines we ever had in the house. It saved  
my little daughter's life. I am anxious  
for every mother to know what an ex-  
cellent medicine it is. Had I known it  
at first it would have saved me a great  
deal of anxiety and my little daughter  
much suffering.—Yours truly, Mrs. Geo.  
F. Burdick, Liberty, R. I. For sale at  
Bisbee Drug store.

Daniel J. Carter, a veteran of the  
civil war and an Arizona pioneer, a  
resident of Tombstone for many years,  
died at that place yesterday at the age  
of 65. He was a highly respected  
citizen.

## A Night Of Terror.

"Awful anxiety was felt for the wid-  
ow of the brave General Burnham of  
Machias, Me., when the doctors said  
she could not live till morning" writes  
Mrs. S. H. Lincoln, who attended her  
that fearful night. "All thought she  
must soon die from Pneumonia, but she  
began for Dr. King's New Discovery,  
saying it had more than once saved her  
life, and had cured her of Consumption.  
After three small doses she slept easily  
all night, and its further use completely  
cured her." This marvelous medicine  
is guaranteed to cure all Throat, Chest  
and Lung Diseases. Only 50c and \$1.00.  
Trial bottles free at the Bisbee Drug  
Store and Copper Queen Co.

W. H. Burrage, of the Santa Rita  
Copper company, is in Phoenix and is  
stopping at the Ford. It was the Bur-  
rages who made the greatest copper deal  
ever consummated in the southwest,  
and the same is familiar now to every  
mining man in the country. The Santa  
Rita copper claims, located in New Mex-  
ico, were purchased by a company  
which was formed by a cousin of Mr.  
Burrage. The sale meant a cash ex-  
change of \$1,400,000 for the Santa Rita  
claims. Since the sale work has been  
started in developing the claims for the  
production of copper, and Mr. Burrage  
thinks that the Santa Rita will be one  
of the greatest copper camps in the  
southwest in a few years.—Herald.

Development has shown that the  
type of Arizona are the deepest of all  
mineral ledges. These are, even to this  
day, only six or eight 1000-foot shafts in  
the territory and in every case where  
development has been prosecuted to  
great depth there is found tremendous  
ore bodies. Notable examples of this  
are found in the Copper Queen, Globe,  
Clifton, Congress, Senator and the great  
United Verde, not yet down 1000 feet.  
In olden times, when leached ground  
was struck, the mines were abandoned;  
today, we find the great mining compa-  
nies welcoming the arrival of the old,  
unsought visitor. Leaching ground on  
the mother vein of Yavapai county is  
the evidence of greater riches; but the  
question of how far below the sulphurets  
lay, is a matter of conjecture—some  
cases three and four hundred feet—  
Denver Review.

## Played Out.

Dull headache, pains in various parts  
of the body, sinking at the pit of the  
stomach, loss of appetite, feverishness,  
pimples or sores are all positive evidence  
of impure blood. No matter how it be-  
comes so it must be purified in order to  
obtain good health. Acker's Blood  
Elixir has never failed to cure Scroful-  
ous or Syphilitic poisons or any other  
blood diseases. It is certainly a wonder-  
ful remedy and we sell every bottle on  
a positive guarantee. Sold by J. S.  
Williams & Co.

The personal effects which were re-  
cently attached as the property of Mrs.  
Towner, were sold yesterday under ex-  
ecution by Constable Graham. The  
motel assortment of articles realized a  
total of \$50.40, while it would not have  
been supposed the lot was really worth  
half that sum.

## Notice to the Public.

Notice is hereby given that, all per-  
sons, big or little, bathing at Mrs. Trib-  
olet's swimming pond, or any other  
pond in town, will be required to wear  
the usual bathing costume, and refrain  
from the use of such profanity as has  
been their custom heretofore. Other-  
wise they will be dealt with according to  
law. Respectfully,

DAYTON GRAHAM,  
Constable.

Kodol Dyspepsia Cure cures dyspep-  
sia because its ingredients are such that  
it can't help doing so. "The public can  
rely upon it as a master remedy for all  
disorders arising from imperfect diges-  
tion."—James M. Thomas, M. D., in  
American Journal of Health, N. Y.  
Copper Queen store.

Bishop Kendrick, of the Episcopal  
church, will officiate at the church  
services to be held at Library Hall to-  
morrow—morning service opening at 11  
o'clock, evening service at 7:30. Sub-  
jects: "Good in the afternoon, as usual."

It is rumored that there will be two  
weddings in a day during the coming  
week, the contracting parties being well  
known, but as yet no authorized state-  
ment can be made as to their identity.

More poultry farms are demanded to  
supply this market with poultry pro-  
duce. Too much is being shipped into  
this market from foreign points for the  
best interests of Tucson. There is no  
better poultry climate in the world than  
Southern Arizona, and there is no more  
profitable market for the product than  
Tucson.—Star.

THE FINEST LINE OF MEN'S SHOES THAT HAS  
ever been on sale in Bisbee reached our Shoe Store a
